ATHEISM UNBELIEVABLE

Atheism is unbelievable and irrational; it has no rational or evidential foundation. It is the belief that there is “no God” and Richard Dawkins says that he “believes” that “believing in a God [any God]” is “false”. Dawkins says he rejects believing in God [any God] because that would be “BELIEF WITHOUT EVIDENCE”.

But Dawkins is an atheist! And, of course, atheism is notorious for believing without evidence. What “evidence” is there for atheism? When we look up at the stars and survey the beauty of the world around us do we find any evidence that there is no God [any God]?

When we examine the micro-systems and the macro-systems of the physical realities all about us, do we find any evidence that there is no God? When we ruminate on the “irreducible complexities” of biological phenomena, or consider the transcendental laws

do we find any evidence [any God]? When we and claw” do we find

no God? Or when we see man’s inhumanity to man, do we find evidence that there is no God? And does the existence of evil mean that there is no God?

Atheism like this is intellectually inconsistent, barren, and irrational.

Atheism is belief without evidence and the thinking public see through the Dawkins-delusion.

If we must choose between the teaching of the Lord Jesus Christ or Richard Dawkins, or the Lord Jesus Christ and Charles Darwin, the choice is easy.

It is time to "change for the better" and return to God and to godliness.

Understand, ye brutish among the people: and ye fools, when will ye be wise? He that planted the ear, shall he not hear? he that formed the eye, shall he not see? He that chastiseth the heathen, shall not he correct? he that teacheth man knowledge, shall not he know? The LORD knoweth the thoughts of man, that they are vanity.

[Psalm 94:8-11]
